Elder Care Support Program

Who We Are

Kirrae Health Service exists in order to service the physical, mental and emotional health needs of the Framlingham Aboriginal Community and surrounds in a manner that is effective, culturally sensitive and acceptable to the community.

Elder Care Support:
ensuring you always
have choice and
control of your care
and services

Our Goal Is

To help Elders, their families and carers to access the aged care services they are entitled to

To increase number of aboriginal people receiving care On Country

How we provide support

By helping Aboriginal and Torres Strait Islander people aged 50+ or their family members to register with My Aged Care

Plan community events and activities to help everyone know more about the aged care services available

Identify available services, access pathways and offer referrals to other specialized services and support

Involvement with, and support for families to be informed when making decisions on care and services.
